

Dedicated Support

Triple B is licensed and insured, and all of workers are extremely understanding, skilled and experienced.

Staff have a minimum Cert III in Individual Support in Disability and/or Aged Care or the equivalent and undertake regular and ongoing training to maintain our high quality standards.

We carefully screen our staff with background checks and our workers have National Police Clearances, NDIS Worker Screening Check and Working with Children Checks.

We are a preferred supplier of health care professionals and support staff to a diverse range of organisations throughout Perth and the surrounding areas.

We are able to support clients under a range of funding types including NDIS, Insurance Commission of Western Australia, Transport Accident Commission and Worksafe Victoria.

Triple B International
Better Skill Better Care Better Life

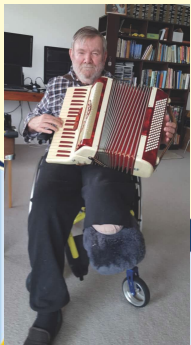

Who are Triple B?

Triple B is Australian owned and operated and has been providing services to the disability and aged care sectors since it was established in 2008. Triple B is a dedicated provider of quality services across the Perth Metropolitan area. We specialise in the provision of emergency and culturally specific services.

Our motto: **Better Skill – Better Care – Better Life** underpins Triple B's service delivery. We believe well supported and skilled workers provide better care for our customers which in turn supports our customers to live a better life.

Triple B's vision is to improve the physical, emotional, and spiritual well being of our customers. Our mission, and how we aim to achieve our vision, is to provide our customers with the support they need to connect with the community and live the life that they choose.

Why Choose Triple B?

The Triple B Team take the time to get to know you, your service preferences and what you would like to achieve. We work in partnership with you to create a support plan customised to your individual needs and find solutions that work for you.

We do this by:

- committing to continuous improvement and innovation in service delivery,
- providing high quality and cost-effective services,
- building supportive, caring and friendly learning environments,
- promoting honesty, fairness, trust and responsibility,
- by improving quality of life through choice, dignity, respect, self-determination and purpose.
